

# Vertical Surface Mounted Dry Riser Inlet Cabinet

## DRC012 (Red)

## DRC023 (Stainless Steel)

### Product Description

The DRC012 & DRC023 vertical surface mounted inlet cabinets are designed for easy access to the dry riser valve. The cabinets are available in red RAL3002 (DRC012) or in Stainless Steel (DRC023) finish.

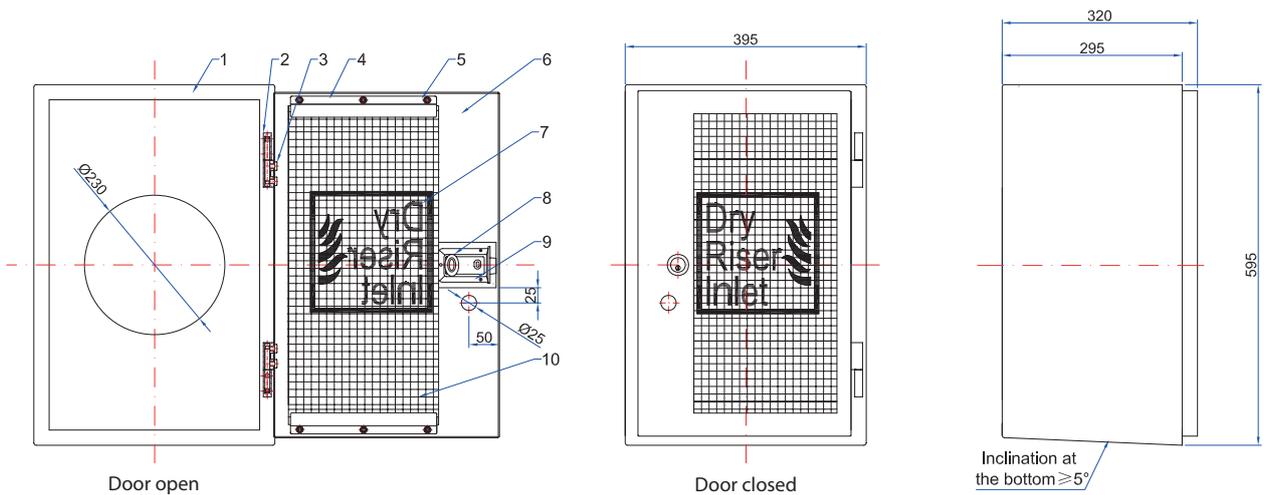

DRC012 cabinet is painted with epoxy RAL3002 powder paint with UV protection to prevent colour fading.

The inlet cabinet and breaching inlet should be positioned as closely as possible to the rising main in order to reduce the pressure loss and within easily accessible reach of the attending fire appliance which should be in an un-obscured sight of fire crews and no more than 18 metres away from the nearest vehicle access.

The cabinets are supplied with georgian wired glass door.

### Outdoor Application

For outdoor applications Rapidrop Global recommend using Stainless Steel cabinets.
