

Vertical Stone Infill Cabinet Model: DRC036

Product Description

The DRC036 vertical Stone Infill cabinet is designed for easy access to the riser valve. The cabinet is available in Stainless Steel finish.

The inlet cabinet and breaching inlet should be positioned as closely as possible to the rising main in order to reduce the pressure loss and within easily accessible reach of the attending fire appliance which should be in an un-obscured sight of fire crews and no more than 18 metres away from the nearest vehicle access.
